WB 19.11.18

This week sees the start of our 5 Ways to Well-being campaign, in school. Our 1st way is – Take Notice. The children have been learning that reminding yourself to ‘take notice’ of the things around you can strengthen and broaden awareness.

Studies have shown that being aware of what is taking place in the present directly enhances your well-being and savouring ‘the moment’ can help to reaffirm your life priorities. Heightened awareness also enhances your self-understanding and allows you to make positive choices based on your own values and motivations. Why not take some time to enjoy the moment and the environment around you?

We would like to take the opportunity to praise the Glee club for the sensational job they did filming our song for Children in Need and Anti-bullying week. Our facebook performance has been viewed by so many of you and the comments we have received are amazing. Thank again to anyone who donated to help the school raise money for such a worthy cause!
