

Hodge Clough Primary School SMSC (Social, Moral, Spiritual Cultural) News

WB 26.11.18

This week sees the continuation for our 5 Ways to Well-being campaign, in school. Our 2nd way is – Connect. The children have been learning that it is important to connect with each other, family and the wider community.

There is strong evidence that indicates that feeling close to, and valued by, other people is a fundamental human need and one that contributes to functioning well in the world. It's clear that social relationships are critical for promoting wellbeing and for acting as a buffer against mental ill health for people of all ages.

With this in mind, try to do something different today and make a connection.

- Talk to someone instead of sending an email
- Speak to someone new
- Ask how someone's weekend was and really listen when they tell you
- Put five minutes aside to find out how someone really is

Good luck to our Glee club who will be out spreading Christmas cheer in the community this weekend at Little Owl Farm.

Proud Slip Comments of the Week- *Madison Heptonstall*

She's recently joined the Seals Swimming club after being spotted at school swimming lessons so now swims twice a week. She's completed her Gold award and got her certificate and badge last week. She's loving it and has a smile on her face from start to finish. We're really proud of Madison joining the swimming club where she didn't know anyone and starting a new group.

Keep up the great work Madison!
