

Hodge Clough Primary School SMSC (Social, Moral, Spiritual Cultural) News

WB 18.03.19

This week during assemblies and circle time our theme has been 'bounce-back ability.' The children have been learning what this word means and thinking about how they should act if things don't go their way. We have also been focusing on well-being in school this week, with all children being given the opportunity to further explore ways they can improve their mental health. The children have been asked to reflect on their time in and outside of school this week with a focus on 'what went well?'

The children thoroughly enjoyed filming our *Comedy Choral Carnival* and can't wait to share their poems with you when our DVD is released. More details about this will follow shortly. We would like to take this opportunity to praise the children for their performances and thank you all for helping them to learn their words and raise money for such a worthy charity.
